Great talking to you, Kathy

Nancy Grantham's cell number is Personal Phone/Ex. 6

Also attached is a meeting notice on the ARSG. It may not be widely advertised as a public meeting, but the public is always welcome and we have recently all become stakeholders in this issue. Even if you only stayed for the R&B and Gold King updates, I think it would be valuable, not only for Kaylie, but for the stakeholders to see interest from her generation. The Superfund process may be something that Kaylie could report on, as well.

And thank you, Nancy.

Regards,

Tom

Dear Stakeholders – Attached is the agenda for our next meeting in Durango at 6:30 in the La Plata County Commissioner's room. Note that the commissioners are in a new location – the building diagonally across from the northwest corner of the county courthouse. The address is on the agenda. Doug Jamison with CDPHE (Hazardous Waste and Materials Division) will give a presentation on the Superfund process.

Also attached are meeting notes from our August meeting. Hope to see you next Tuesday.
